

REFERENTIAL LETTER

We are pleased to recommend the APPA-INVEST Artur Piechota company which in 2015r. provided services for the EURO-net Sp. z o.o.

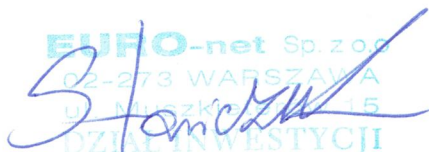

APPA-INVEST demonstrated highly professional approach to entrusted service works. All works were performed on time and with the due diligence.

Many times entrusted repair and maintenance works were carried out at night, therefore required instant action and the full commitment and the professionalism what met with our great appreciation.

The level of provided services by the APPA-INVEST company provides guarantees the highest quality repair and maintenance order in the construction, sanitary and electric industry.

We recommend with confidence the APPA-INVEST company next to investors as the reliable and trustworthy contractor of the work.

We value the APPA-INVEST company for the availability and fast service intervention.
